

Chapter 5

Signage Plan

Goal

- To replace street signs, directional signs, special posted signs with a signature look. We also want to reduce the amount of signs within the town.

Chapter 5

Signage Plan

Result

- A community which is yet again marked by a historic look and feel. A community that is preserving and restoring it's historic, clean, crisp atmosphere. A community that will be a much desired place to live. A community that improves the quality of life for all residents.
